Subject: Request for 2,000 Clay Ganesha Idols for Distribution in Tellapur

Respected Sir/Madam,

On behalf of **Service 4 Society**, we request HMDA to kindly provide **2,000 eco-friendly clay Ganesha idols** for distribution among families in the Tellapur area as part of our community initiative for **Vinayaka Chavithi**.

Tellapur is home to approximately **20,000 families**, and through this initiative, we aim to encourage the use of eco-friendly clay idols and create greater awareness about protecting our environment while celebrating the festival.

We would be grateful if HMDA could support our initiative by providing 2,000 clay Ganesha idols for distribution to residents of the Tellapur area.

We look forward to your kind consideration and support for this community and environmental initiative.

Thank you.

Yours faithfully,

Sridhar Goruganti

Service 4 Society

Tellapur, Hyderabad, Telangana
